

Please, I need your Help! They are locking me up in a Dog Pound!

Let me explain. I have been accused of crime related to my Dog. I can't tell you the crime at this time because it is much to embarrassing. I have been challenged to raise money to pay my fine and avoid the public humiliation I may face at my hearing. On Sunday May 31, 2009, I must appear before the Dog Warden at Northwest Park in Windsor, CT. If found guilty, I will be fined and locked up the Dog Pound. To add fuel to the fire, there just happens to be a huge Dog Walk & Fair at Northwest Park on May 31, 10:00 AM to 3:00 PM. I will be on public display and locked up until I have enough money to pay my fine. Anyone who attends will find out what I am accused of. I worry about the other delinquents I may be locked up with. What if it's someone accused of having a dog with excessive gas!! A dog with an annoying bark!!

This is why I need your help. If I can raise enough sponsor donations to pay my fine, I can avoid being locked up for too long. Any contribution you can make would be greatly appreciated.

Now for the good news. All proceeds will benefit our animal friends. Proceeds will be shared by the First Town 4-H Service Dog Project, Sunshine Golden Retriever Rescue, Our Companions Animal Sanctuary and the Windsor Dog Park. Sunshine rescues hundreds of dogs annually. Our Companions is one of Connecticut's largest domestic animal sanctuaries. The First Town 4-H Clubs use proceeds for animal related causes including the rescue, training and support of service dogs and the building of the new Windsor Dog Park.
