Vendor Application 2009 Walk for Chance Dog Walk, Race & Fair

Sunday May 31, 2009

Northwest Park, Windsor, CT

9:00 am to 3:00 pm

The 2009 Dog Walk and Fair promises to be the most exciting and largest Dog Walk to date! Consistent with our mission to train service dogs and fund animal related causes, the First Town Veterinary Science 4-H Club has elected to raise funds for rescue dogs and the recently approved Windsor Dog Park. We have partnered with Sunshine Golden Retriever Rescue and the Windsor Dog Park Association. Sunshine Rescue specializes in the rescue of golden retrievers which complements our mission to train golden retrievers to be service dogs. The Windsor Dog Park provides a direct link to the Windsor community and benefits all local dogs and their owners. We are certain that a large percentage of your customers and employees are dog owners and on behalf of all the members of the 4-H Club, Sunshine Rescue and the Dog Park Association we thank you and appreciate your sponsorship of this special event.

- 1-2 mile dog walk
